Dear Sir or Madam,

I am conducting an Environmental Assessment and am requesting any information on file for the following address: 2 Corporate Drive, South San Francisco, California. In particular, do you hold files for the following businesses:

- Tularik (now part of Amgen) - occupied the site from 1998/1999 – 2003
- Renovis (bought by Evotek in May 2008) – occupied the site from 2003 until August 2009
- Trellis Bioscience – currently occupies a small portion of the site, since early 2003.

Please contact me at 619-517-3336 as soon as possible if files do or do not exist for this address.

Thank you for your assistance.

Karin
