Dear Ms. Chang:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am returning without action the application dated February 4, 2010 to amend your import license to add the North Andover, Massachusetts facility to your NRC import authorization PIB22.03.

According to the Massachusetts state regulator, Industrial Nuclear Company is not authorized to distribute any radioactive material from the Massachusetts facility at this time. Until Massachusetts again authorizes this facility to distribute radioactive byproduct material, the NRC will not authorize this facility to import any radioactive byproduct material.

If you have further questions regarding this application or would like to discuss other NRC import/export licensing related matters, please contact Stephen Baker (301) 415-3329.

Sincerely,
