Control No.: **318818**

SUMMARY

We have reviewed your letter dated December 31, 2009, requesting an amendment to your byproduct materials license. We find that we need additional information as follows:

1. **In your letter dated December 31, 2009, you requested to remove the storage location in St. Peters, Missouri from your byproduct materials license, however you did not provide the leak test results for the licensed gauges stored in this location. Please submit the leak test result conducted prior to the transfer of the licensed gauges.**

We will be unable to continue processing your request until we receive this information.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Record (PARS) component of NRC's document system (ADAMS) accessible from the NRC Website at <http://www.nrc.gov/reading-rem/adams.html>.

ACTION REQUIRED

Please submit the requested information within **5 calendar days (by May 10, 2010)** by referencing control number **318818** to facilitate proper handling. If we do not receive an adequate response by this date, we will **VOID** the current action without attempting to contact you further and without prejudice to resubmission of your request at a later date.

Upon receipt of your response we will reactivate placement of your request in our database and resume our review. Address your written response to my attention at the above address.

PLEASE NOTE THAT A "VOID" IS AN ADMINISTRATIVE PROCEDURE THAT PUTS YOUR AMENDMENT REQUEST "ON HOLD" (TAKES IT OUT OF OUR ACTIVE CASEWORK DATABASE) UNTIL YOU REACTIVATE IT VIA A WRITTEN RESPONSE. IT "BUYS" YOU TIME TO PREPARE A QUALITY RESPONSE AND IS OFTEN REGARDED AS A "GOOD THING."

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT 630-829-9752 or (800) 522-3025, EXT. 9752.
