Subject: Amendment Request for Lockheed Martin Corporation, Lockheed Martin Missiles and Space
Materials License No. 09-23013-02

Dear License Assistance Team,

We are requesting that the subject materials license be amended to reflect the following:

1. Paragraph 11: remove the name of Dudley Gibson as Alternate Radiation Safety Officer and replace with the name Doug Chapman. A summary of the radiation training and experience for Mr. Chapman is enclosed. The primary RSO remains as Richard L. Swartz.
2. Paragraph 6: delete the source material B. Nickel 63. Only the source material at A. Americium 241 should be listed on the license.

If you require further information on this matter, please contact Richard Swartz at (321) 853-9777.
