We have examined the above application and have determined: No action by this Division is required. We have no objection to your Branch taking appropriate action independently.

Licensing action by this Division is necessary. We will contact you to coordinate simultaneous licensing action with your Branch. Request that SGML be placed in the concurrence chain for your final action on this case.

Special or unusual aspects should be resolved. We will contact you to discuss.

Please inform the licensee of the requirements stated in paragraph 70.51(b), (c), and (d) regarding records, material control and accounting procedures, and physical inventories.
