General Comment

I have read NUREG-0654, FEMA-REP-1, Rev. 1, Supplement 3 SAND2010-0293P.

I understand the survey data and the intent and concur generally with recommendations. However, any changes to the notification process to citizens in the 10-Mile EPZ, sheltering requirements or anything which results in costs to Pickens County, is not and probably will not be funded.

Funding must be provided by either the Federal, State governments or the licensee.
