

FEMA

Mr. Allan Barker
Chief, State & Government Affairs
U.S. NRC – Region III
2443 Warrenville Road – Suite 210
Lisle, Illinois 60532-4352

Dear Mr. Barker:

Attached is the State of Wisconsin Emergency Response Framework for Radiological Response Plan (dated January 2010), the comprehensively revised Radiological Incident Response Plan (Version 2.1) for the Wisconsin Department of Health Services (dated February, 2010), and page revisions for the Emergency Operations Plans (EOPs) for the Wisconsin counties of Kewaunee (dated March, 2009), Manitowoc (dated February, 2010) and Pierce (dated April, 2010). Kewaunee and Manitowoc Counties lie within the 10-mile emergency planning zones for the Kewaunee Power Station and Point Beach Nuclear Power Plant. Pierce County lies within the 10-mile emergency planning zone for the Prairie Island Nuclear Generating Plant.

We request that you review this material for conformity to Title 44, Code of Federal Regulations, Part 350, and the requirements in NUREG-0654. Please provide written comments regarding your review to FEMA, Region V, within 30 days after receiving this letter. Please retain the prior approved plan sections until all Regional Assistance Committee members have provided us with their review comments. At that time we will notify you of our findings concerning final approval, and provide updating instructions.

If you should have any questions, please contact me at 312-408-5575, James King at 312-408-5596 or Karl Rabenhorst at 312-408-5516.

Sincerely,

A handwritten signature in blue ink that reads "William E. King".

William E. King, Chairman
Regional Assistance Committee
