Subject: Docket ID for NJ Agreement FRN

Hello,

When the NJ Agreement FRN is noticed in the Federal Register, people are encouraged to go to [www.regulations.gov](http://www.regulations.gov) and submit comments electronically under Docket ID NRC-2009-0142. This will be the same docket id that we can use to look at any comments that we receive. We at NRC will still get them through normal means but this will be a way for you to see what public comments are being submitted. You can give this docket id out at your upcoming meetings as well. It will be in the Federal Register notice.

For your information, (b)(6) I had tried to schedule it when the FRN would be out, but we didn't get the paper up early. The paper is still with the Commission. I am getting everything ready and in place for when we get the SRM to help speed things along. Dennis will handle anything that needs to be done while I am out.

thanks,

Torre
