Subject: STP conference call today

Joe or George,

I would like to call in and listen to the 11:30 discussion about backfill. Could I get the call-in information from you?

Sorry to be asking at the last minute, but the NRC public meeting page and ADAMS have not been working for the last several days. I am just now finally able to view documents again, and I just saw backfill on the agenda for today's call.

Thanks,
Kimberly A. Keithline
Senior Project Manager, New Plant Deployment
