

## Outline for Discussion

- Transition Plan and Regulatory requirements
  - From the NARM Rule:
    - "Options will be considered, on a case-by-case basis, to limit the impact of the transition of authority on affected users of the new byproduct material in the State."
  - From the Transition Plan:
    - Specifically states in the FRN that "Every effort will be made to complete an Agreement as soon as practical, without compromising quality and completeness....If any Agreements cannot be completed before the waiver expires on August 7, 2009, the Commission may consider, on a case-by-case basis, options to limit the impact on affected users of 11e.(3) and 11e.(4) byproduct material in the States."
  - This is the flexibility that Susan mentioned in last meeting
- NARM Waiver issues
  - Summary
  - Normal process for transition to Agreement State
  - Additional proposals for NJ
- Communication to Commission
  - Summary document providing background, outline of plan through Marty's TA
