Dear Dr. Courtois:

This concerns your amendment request dated March 1, 2010, to add Punita Gupta, M.D. to your NRC license No. 24-18968-01 as an authorized user. Your consultant, Richard Keys, and I spoke on May 12, 2010, and Mr. Keys informed me that the requested additional information needed to add Dr. Gupta is not currently available. Mr. Keys requested that this request be voided and when the necessary information is available, a new amendment request would be filed. Therefore, this request is voided without prejudice to resubmission.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,
