Dennis,
Jenny Goodman sent this to me on Friday. They forgot to include in the package. I've printed out hard copies (so that it can be included in the book that we send down for ADAMS processing) and will send the e-mail version to the team? I was also going to use that e-mail as a reminder to the team about our kick-off meeting this week.

Thanks,
Jenny

Jenny,
Just realized that we forgot to include the Training Policy Statement in our draft application (both paper and CD). Please include it under section 4.6.2. Thanks

Jenny
