Subject: Re: Dennis,

You are correct. I have forwarded your email with the recommendation that it be corrected. Thanks for identifying the error for us.

Dennis

Dennis,

40.35(f) says that "Licensees required to submit an emergency plan by 40.31(i) blahblah blah."

40.31(i) doesn't appear to be the correct citation - shouldn't it be 40.31(j)?

Thanks
