Jenny:

70.55 (a) and (b) and 70.56 (a) and (b) are Category D. The rest of each of those sections is NRC.

Dennis

Would you and James be available for a telephone call on the Part 71 questions. We would like to discuss them with you. Please let me know when you both would be available and a number where we could call you.  
Thanks.

Dennis

The rule on the web 70.56 does not have (a) and (b) anymore. I assume it is not NRC?  
We are available all day, just name the time. Pat would also like to discuss fees and turn over of NRC licenses.
