Jenny:

You do not need to send those sections of the New Jersey rules since they address areas not covered by the Agreement with NRC.

Dennis,

Do I need to reproduce all the X-ray related subchapters? For example, sub 14 is Therapeutic Installior (involving only X-ray and linear accelerator therapy units), Sub 15 is Medical Diagnostic X-ray installation Sub 27 is Certification of radon testers and mitigators, sub 48 is nonionizing, etc, etc.
