Leslie,

Unfortunately the technical reviewer will not be able to perform the audit this week. I will get back with you to re-schedule for later in June.

Thank you,
Stacy

Thank you, Stacy, next Friday, May 28th would be the better day for us. I am attaching a map for the reviewer's use. We will await your confirmation on Monday. Have a great weekend!

Leslie,

I apologize for not getting back to you sooner. The technical reviewer has been held up with work and could not commit to a day yet. Is the office available on Thursday or Friday of next week? I will know for sure on Monday which day he will be able to make it.

Thank you,
Stacy joseph

Stacy – We would be pleased to see you between 9 am and 5 pm either day, but please ask Jim to send us the document numbers and titles of what you would like to review? We want to be certain that we have exactly what you need.

Subject: Availability of WEC to Review Documents

Leslie,

Is there a room available for myself and two staff members and to come the week of May 24th to review Fuel Calculations? Jim Tomkins at STP has told me that the calculations are available for review. Please let me know if Monday May 24th or Tuesday May 25th are available.

Thank you,
Stacy Joseph
