RE: Material License #24-04206-15MD (Milford, CT)

Dear License Reviewer:

Please amend the above referenced material license to reflect the following modifications:

1. Please, change the RSO in this location effective May 28, 2010, to Joseph Remesz-Guerrette, who is currently the pharmacy manager and an authorized nuclear pharmacist on this license. By virtue of past training and experience, Mr. Remesz-Guerrette satisfies the requirements listed in 10 CFR 35.900 for Radiation Safety Officers. Triad Management agrees to provide the RSO with sufficient authority, organizational freedom, time, resources, and management prerogative, to perform the duties as assigned.

We appreciate your expedient review of this request. Please, call if you have questions at 904-220-7210 and return a copy of the completed amendment request to the Triad Corporate offices at 200 S. Orange Ave., Ste. 2100, Orlando, FL 32801 and/or to the Milford pharmacy address to the RSO's attention.

Thanks,
