Issue meeting

Robert,

I just wanted to thank you for meeting with me last week to discuss BLM's policy on cooperating agencies last week. I found the meeting very helpful and have been using the information to prepare for a conference call with Wyoming later this week. I'm hoping I will be able to draft a MOU that will address NRC staff and the State's concerns regarding the GEIS NRC is developing for the ISL uranium recovery facilities. I hope to look into the BLM's training later too. Thanks again. Joan
