Hi Don,

Jim is on his way to the Center and here is the call in number for this morning starting at 9 a.m. EST. Though my guess they will start later. (888) 664-9855 pass code (b)(2) not sure if you need # or not).

This afternoon number at 3:00 p.m. EST (800) 857-9726 passcode (b)(2)

Jim's cellphone number (b)(6)

I am working from home today and will be on the conference call line too. My home number is (b)(6) and cell (b)(6). Hope this works. If you want to send your phone number that will help us contact you too. Thanks. Joan
