RE: NRC/BLM MOU Status

Mitch,

Joan Olmstead, representing our legal counsel, is not available to meet on Wednesday. When I spoke with Rick Deery, yesterday, I did not know about Joan. It is important that she be there. Also, will you have a representative from your NEPA section present at the meeting? Can we meet at your office at 9:00 am on Monday? We will need directions. Thank you.

Alan

Patty,

Can we meet next Monday or Wednesday morning over at the Main Interior Building (18th and C). The meeting would include you, me, staff and legal personnel. I know you are out this week but it was suggested that I give you a call. If you would like to discuss, give me a call.

Hello to our BLM colleagues.

It has been a while since we met to discuss the MOU between our two agencies. Has BLM made any progress on getting comments on the MOU from your solicitors office?

We are ready to meet again to discuss final changes to the MOU. Please let us know when you would be able to meet.

Thanks.
