In the Matter of  
Entergy Nuclear Operations Inc. and Entergy Nuclear Generation Co.  
Pilgrim Nuclear Power Station  
Docket Nos. 50-293-LR; ASLBP No. 06-848-02-LR

Dear Mrs. Lampert:

As required by the Atomic Safety and Licensing Board (ASLB) Order of May 5, 2010, I am enclosing an index of documents previously produced as part of Entergy's initial and twelve supplemental productions that are relevant to Pilgrim Watch Contention 3. The index provides the bates range and title for each document and identifies the production during which the document was provided to Pilgrim Watch. Please note that only the initial production and supplemental productions 1-6 and 12 contained documents that were relevant to Contention 3.

Please feel free to contact me should you have any questions about the attached index.

Sincerely yours,

David R. Lewis  
Counsel for Entergy
