Subject: RAI concerning amendment request dated 4/15/2010
(NOTE: This will be used as the Documents Title in ADAMS)

In the letter dated 4/15/2010, the licensee requested that Paige Brennan, M.D. be added to the license as an AU. On 4.27.10, the consultant physicist (M. Lairmore) was contacted for a preceptor form for Dr. Brennan. M. Lairmore stated that he would forward the form to the licensee to gather the information. On 6.3.10 I contacted the licensee to determine the status of the preceptor form. According to Fred West (Administrative Director), Dr. Brennan was unable to get the information from his preceptor and has decided that he does not want to be added to the license. Therefore, the action will be voided.

Action Required: VOID the amendment
