

Void Sheet

TO: License Fee Management Branch
FROM: Region 3
SUBJECT: VOIDED APPLICATION

Control Number: 318924

Applicant: Arcelormittal Indiana Harbor, Inc.

License Number: 13-32359-01

Docket Number: 030-35880

Date Voided: June 2, 2010

Reason for Void: Insufficient information to amend the license to add a new Radiation Safety Officer. Information submitted regarding course showed a sealed source & industrial gauge class, however, the class outline indicated that the new RSO had not attended the course. Also the supervised hands on experience with nuclear gauges was not addressed. Requested the licensee review with the new RSO what classes he attended and match them to the NUREG-1556, Volume 4 guidance regarding training for RSO's.
