Mr. Smith,

Thank you for your email. The draft Environmental Impact Statement (DEIS) for the proposed GE-Hitachi Global Laser Enrichment facility has not yet been published. We anticipate publication in early June. Because you submitted comments to NRC during our scoping process, you will receive a copy of the DEIS when it is published. At that time it will also be available on line at <http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1938> . Additional documents related to the proposed project may be accessed on the NRC's GE Laser Enrichment Facility Licensing Web site at <http://www.nrc.gov/materials/fuel-cycle-fac/laser.html#2a> .

Please let me know if you have any additional questions.

Can you direct me to a copy of the G.E.-Hitachi Environmental Impact Study for the Global Laser Enrichment Process: Docket # 70-7016. I have been unable to find it on my own.

Thankyou
