I am on travel and will be back to the office on Tuesday 6/2.

Steven and I will try to figure out some way to provide the revised SER for you later this week since both of us are now on the road.

Could you please revise the attached SER write-up (your input after technical editing) to reflect the revisions to the MOX FNMCP based on the withdrawal of the exemption request (ML1013404020) and the revised plan (ML1013404050) The whole document can also be found in the G:\FCSS\MOX Branch\mox la and isas 032010 folder. I would appreciate a quick turnaround based on our need to get the document to OGC and ACRS. Thanks.
