**Attachments:** PWROG-BWROG New Criteria Draft 0E.DOC

Warren,

Here is an electronic copy of the revised allowable gas void table we discussed at our meeting on Wednesday. Per our discussion earlier today, I understand that you intend to circulate this to stop the questions that have arisen regarding the extrapolated values in the draft table we reviewed during our meeting.

Please let me know if my understanding is not correct or if you have any questions.

Thanks Warren.

**Jim Riley**
