Specifically, we are interested in resumes or profiles that might have been submitted by commissioners upon their accession to the commission, or any other documents that might be available detailing the biographical profile of each commissioner, including dates related to their accession. Peter B. Lyons - sworn in on January 25, 2005

Edward McGaffigan, Jr - sworn in on August 28, 1996

I request a waiver of all fees for this request. Disclosure of the requested information to me is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in my commercial interest. The information is being used for an academic research project by a professor at a public research university. If photocopying need be done and there is a charge for that, please contact me before proceeding.

Thank you for your time and consideration of my request.
