Subject: Supplemental information requested to RAI Responses on USEC-GDPs DFP Review

Steve,

The staff reviewed the Surety Riders submitted by USEC-GDPs which you personally provided the original to me on June 2, 2010. The staff noticed that a rider amending the language of the Westchester Fire Insurance Company surety bond (effective date of December 19, 2006), or a justification for exclusion, was not included. In order to finalize the staff's SER input, via this e-mail, USEC is requested to provide a rider for this bond or provide an acceptable explanation as to why the requested language, which indicates that the penal sum cannot be decreased without the written permission of the NRC, was not added to the bond.

Additionally, the intent of staff's request for additional information (RAI), specifically RAI 3, dated May 12, 2010 (ADAMS Accession Number ML101320238), was to request an amended Schedule B to the Standby Trust Agreement, and the staff noticed that this was not included as an attachment to USEC-GDPs' June 2, 2010, letter. USEC is requested to provide the amended Schedule B, or clarify whether USEC intends to provide an updated Schedule B if and when the two surety riders reducing the surety are signed.

For the aforementioned questions, please provide supplemental responses as applicable to your RAI responses dated May 18, May 27 (ML101540305), and June 2, 2010.

Thank you,
Tilda
