May 21, 2010

The Honorable Gregory B. Jaczko
Chairman
Nuclear Regulatory Commission (NRC)
Washington, DC 20555-0001

Dear Chairman Jazcko:

Congratulations on a successful groundbreaking event on May 17. I look forward to celebrating the new building's completion two years from now. I hope that consolidating staff enables the NRC to further raise the bar of excellence and continue to lead as a "best place to work" in the government.

Thank you for hosting an informative day for me and my staff at the NRC, including our interesting lunch discussions. Please extend my appreciation to all the Commissioners and Executive Director of Operations William Borchardt, and the staff, for being personally involved in my visit. Special thanks go out to Kim Sargent, Susan Wittick, Rebecca Schmidt, and Amy Powell for coordinating the day's program. The briefings you all arranged were very helpful and expanded my knowledge of NRC issues.

Congratulations, also, on the NRC receiving the 2010 Blue Pencil & Gold Screen Awards of Excellence for the inspiring video, *Living the NRC Values*, produced by NRC Senior Executive Service (SES) Candidates. I enjoyed watching the video and discussing it with this fine group. Thanks again, and keep up the good work you are doing! With best personal regards, I am

Mr. Chairman, our thanks to you and your team for the warm welcome and for the opportunity to join you for an important groundbreaking and a terrific visit.

Sincerely yours,
Tom Carper
