Subject: Re: Charlie Miller's visit to NJ

Thanks for you help. No one from FSME will be accompanying Charlie at this time.

Hi Dennis,

Region I will be pleased to provide you with background information on several sites that NJ may be interested in discussing (e.g., Shield Alloy, Heritage Minerals) during Charlie Miller's visit on March 3rd. I will also ask the Region I SLOs if they have any info they want included.

When do you need us to provide the information? Also, is anyone from FSME accompanying Charlie on this visit?

Thanks,
Donna
