Commissioner Klein approves the draft SRM for the Proposed Agreement between the State of New Jersey and the Commission with the following changes:

- 1) Remove the following from the sentence in comment I. " , by the signature date of the Agreement"
- 2) The NRC staff should add a sentence to Page 13, 5th full paragraph under b. Assessment of Staff Qualifications, to include a time period by which BER staff will have completed training or will have received waivers based on prior training and experience.

Thanks,

The attached file contains a draft SRM which is being circulated for the normal 3-day period for Commission review. As provided in the Internal Commission Procedures, the staff is "...afforded an opportunity to review the SRM to ensure that the Commission decision is clear and understandable and that resource, schedular, and legal constraints are properly considered." Please provide any responses to Ken Hart (KRH), Richard Laufer (RJL), and Rochelle Baval (RCB5).
