George, this is the first that I've heard of this question. We were not trying to coordinate with NJ's budget cycle - we were trying to get it done before the end of the NARM Waiver expiration but no later than 9/30/09 to avoid the burden of duplicate fees.

Duncan and Dennis - do you know anything about this call?

Duncan,

At Charlie's last periodic with Dr. Klein, he discussed the need to coordinate the effective date of the New Jersey Agreement with the New Jersey budget cycle. Could you call me (x1972) at your convenience and illuminate this a bit, please? Thanks!!
