Folks,

Good morning,

Commissioner Svinicki has a number of purely editorial edits to SECY-09-0114. Her edits are not on the Agreement nor the associated *Federal Register* Notice. She has agreed to vote approved without comments and pass the comments to staff so that appropriate corrections can be made to the paper before it is posted on the internet. DEK and GBJ are fine with that approach. I will get the comments from Thoma sometime today and pass them to you.

Steve
