I inquired further from their lawyer to see if I could get more info, I'll let you know if I hear anything... It worked for the lawyers to talk Thursday afternoon at 1:00, I booked the RPDC little room and have the number to give her a call, Joan will make her way over...

I'll try to fill in what I can if you let me know where the specific questions are. The comments were from my technical review (b)(5) Now, some of the comments may be addressed in their regulations, which we did not look at at that time, and therefore, may already be addressed. But they still haven't responded to officially responded to our initial legislation review letter and told us where we could find the applicable sections in their regulations.

Their lawyers want to talk to ours. We're trying to set up a call for tues. morn or thurs. aft. Are you available to participate or care to fill-in either Dennis or myself to prep us for the call? Did the comments sent to them come from you or OGC?

Thanks,  
Jen

Joan,  
I heard back from the NJ lawyer (Valerie Gray), she's available Thursday afternoon. How does 1:00 look for you? Dennis or myself would like to participate and Aaron expressed interest in being involved since he made the comments on the legislation. Do I need to try and find a room? I have Valerie's phone number so we can dial directly. When I confirm the time with Ms. Gray, I will inquire if she can provide more detail on the specific subject areas of her questions.

Thanks,  
Jenny

Joan,

I hope you had a wonderful thanksgiving holiday. I got an e-mail from Patricia Gardner and she mentioned that their lawyers have some questions on our comments on the legislation. Is there a time next week that you might be able to discuss these items with their lawyers? Dennis or myself would like to sit in on the call as well.

Thank you,  
Jenny
