Left a voicemail for Anna. In the Chairman's office, Pat said that Rob Krsek is reviewing it, but he's gone home for the weekend and will be back Monday. I'll give him a call for you next week.

John Thoma just called me on something else and I took the opportunity to ask him if he had questions on the NARM waiver because you two were willing to come around. He said he had read the paper and understood it so he didn't have any questions at the moment. It's with the Commissioner awaiting her vote, but he did mention that she will be on travel next week so it may be 2 weeks before we see it.

Do you want me to call Pat and Anna or just see if they come back with questions?
