SUBJECT: REGIONAL LICENSES INVOLVED IN THE TRANSFER OF
REGULATORY AUTHORITY TO THE STATE OF NEW JERSEY

On or about September 30, 2009, the proposed Agreement between the Commission and the State of New Jersey will be signed. We are currently in the process of preparing for this upcoming transfer of regulatory authority and have identified certain licenses issued by other Regions with a place of use in New Jersey. A computer generated list of these licenses is enclosed. We ask that you review the Enclosure to determine if you have additional licenses that have a location of use in New Jersey that are not included on the list.

We request that the responsible Region perform the necessary licensing actions and inspections for those licensees on the Enclosure that are located in your Region. Inspections that are due by December 31, 2009, should be completed by September 30, 2009. Furthermore, we request that once the final action is completed you forward the docket file to Region I for the transfer to the State of New Jersey.
