Hi Torre,

I leave in about 1.5 hours to go to the airport. I will have Jim Kottan look at this information and get back to you. John Kinneman and Dan Collins are both out of the office today, so Jim will have to talk to Sam Collins about any changes and Region I's views. I will keep up with this the best I can but I am not going to be much use a good portion of today.

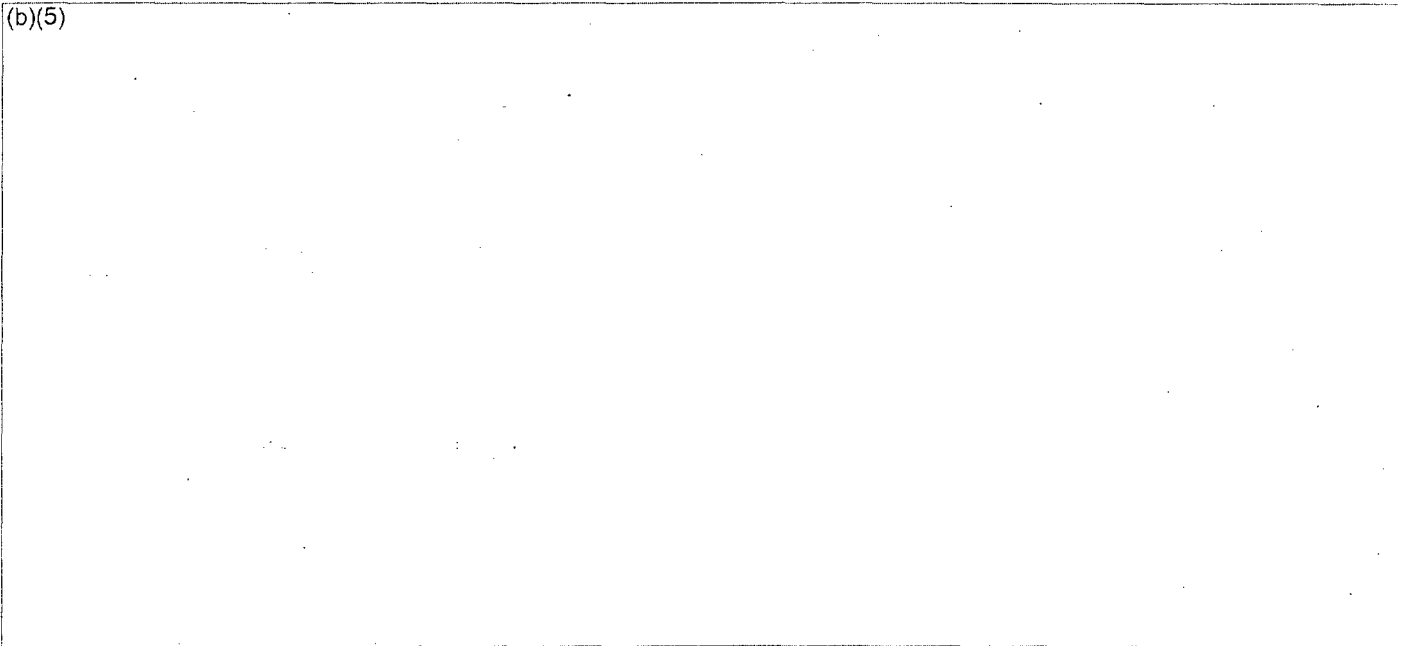

Thanks,
Donna
