The proposed effective date for the NJ Agreement is September 30, 2009. NJ plans to implement the ICs effective with the Agreement. ]

We have been closely coordinating with NJ on a number of issues involving the upcoming Agreement, specifically the NARM waiver expiration on August 7th and the Shieldalloy decommissioning plan. [ (b)(5)

[ (b)(5) ]

Please keep us informed of this action and we are available to assist with any coordination with the State of New Jersey on this matter.
