

FSME Daily Note

FSME

- On September 23, Governor Jon S. Corzine signed the three formal Agreements, as authorized by Section 274b. of the Atomic Energy Act of 1954, as amended. This provides for the Commission to discontinue its regulatory authority and for the State of New Jersey to assume regulatory authority over certain radioactive materials in New Jersey. The effective date of the Agreement is September 30, 2009.
