Re: FOIA / Nuclear-Radioactive Activity Ft Campbell KY

FOIA/PA REQUEST
Case No.: 2010-0255
Date Rec'd: 6-14-10
Specialist: Christina
Related Case: _____

I, Steve A. Horbol, do hereby request, under the Freedom of Information Act, any and all information related to, but not limited to, the use, storage, manufacture, disposal, experimentation, and transportation of nuclear and/or radioactive material at the US military base known as "Fort Campbell, Kentucky" specifically the area known as the "Birdcage" and the area of bunkers situated in the mountains on the Tennessee side of the above mentioned base, south of the compound which billeted the 2nd Squadron 17th Air Cavalry. This unit was located at this compound on their return from the Republic of Viet Nam on or about the year 1972. This area was a top secret atomic weapons site known as the "Clarkville Facility" due to its proximity to Clarksville TN. The dates of the above request span the time frame from 1965 through 2005. Also include information on the closing or denial of access to this area. The intent of this request is for health related matters.

By my signature I consent to pay any reasonable costs to acquire this information above the limits set by law. Thank you.

Steve A. Horbol
