

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

**OFFICE OF THE
INSPECTOR GENERAL**

June 15, 2010

Ms. Taunja Berquam, Clerk
Committee on Appropriations
Subcommittee on Energy and Water Development
2362-B Rayburn House Office Building
United States House of Representatives
Washington, DC 20515-6020

Dear Ms. Berquam:

The Office of the Inspector General (OIG) at the U.S. Nuclear Regulatory Commission (NRC) requests your participation in recommending topical/specific areas to be examined by my office during Fiscal Year 2011. OIG's planning process is designed to yield assignments that will encourage efficiency, economy, and effectiveness of NRC programs and operations; detect and prevent fraud, waste, and mismanagement; and improve program and security activities at headquarters and regional locations.

My office is committed to ensuring the integrity of NRC programs and operations. Developing an effective planning strategy is a critical aspect of accomplishing this commitment. Such planning ensures that audit and investigative resources are used efficiently.

I look forward to your input into our annual planning process. A response is requested by June 28, 2010. If you need additional information, please call me at 301-415-5930 or Stephen Dingbaum, Assistant Inspector General for Audits, at 301-415-5915.

Sincerely,

/RA/

Hubert T. Bell
Inspector General

**OFFICE OF THE
INSPECTOR GENERAL**

June 15, 2010

Ms. Carrie Apostolou, Clerk
Senate Committee on Appropriations
Subcommittee on Energy and Water Development
SD-118 Dirksen Senate Office Building
United States Senate
Washington, DC 20510

Dear Ms. Apostolou:

The Office of the Inspector General (OIG) at the U.S. Nuclear Regulatory Commission (NRC) requests your participation in recommending topical/specific areas to be examined by my office during Fiscal Year 2011. OIG's planning process is designed to yield assignments that will encourage efficiency, economy, and effectiveness of NRC programs and operations; detect and prevent fraud, waste, and mismanagement; and improve program and security activities at headquarters and regional locations.

My office is committed to ensuring the integrity of NRC programs and operations. Developing an effective planning strategy is a critical aspect of accomplishing this commitment. Such planning ensures that audit and investigative resources are used efficiently.

I look forward to your input into our annual planning process. A response is requested by June 28, 2010. If you need additional information, please call me at 301-415-5930 or Stephen Dingbaum, Assistant Inspector General for Audits, at 301-415-5915.

**OFFICE OF THE
INSPECTOR GENERAL**

June 15, 2010

Mr. Doug Clapp, Clerk
Senate Committee on Appropriations
Subcommittee on Energy and Water Development
SD-186 Dirksen Senate Office Building
United States Senate
Washington, DC 20510

Dear Mr. Clapp:

The Office of the Inspector General (OIG) at the U.S. Nuclear Regulatory Commission (NRC) requests your participation in recommending topical/specific areas to be examined by my office during Fiscal Year 2011. OIG's planning process is designed to yield assignments that will encourage efficiency, economy, and effectiveness of NRC programs and operations; detect and prevent fraud, waste, and mismanagement; and improve program and security activities at headquarters and regional locations.

My office is committed to ensuring the integrity of NRC programs and operations. Developing an effective planning strategy is a critical aspect of accomplishing this commitment. Such planning ensures that audit and investigative resources are used efficiently.

I look forward to your input into our annual planning process. A response is requested by June 28, 2010. If you need additional information, please call me at 301-415-5930 or Stephen Dingbaum, Assistant Inspector General for Audits, at 301-415-5915.

Sincerely,

/RA/

**OFFICE OF THE
INSPECTOR GENERAL**

June 15, 2010

Mr. James Windle
Committee on Appropriations
Subcommittee on Energy and Water Development
2362-B Rayburn House Office Building
United States House of Representatives
Washington, DC 20515-6020

Dear Mr. Windle:

The Office of the Inspector General (OIG) at the U.S. Nuclear Regulatory Commission (NRC) requests your participation in recommending topical/specific areas to be examined by my office during Fiscal Year 2011. OIG's planning process is designed to yield assignments that will encourage efficiency, economy, and effectiveness of NRC programs and operations; detect and prevent fraud, waste, and mismanagement; and improve program and security activities at headquarters and regional locations.

My office is committed to ensuring the integrity of NRC programs and operations. Developing an effective planning strategy is a critical aspect of accomplishing this commitment. Such planning ensures that audit and investigative resources are used efficiently.

I look forward to your input into our annual planning process. A response is requested by June 28, 2010. If you need additional information, please call me at 301-415-5930 or Stephen Dingbaum, Assistant Inspector General for Audits, at 301-415-5915.

Sincerely,

/RA/

Hubert T. Bell
