Dear Dr. Royal:

On March 19, 2007, the Committee on Certification, Subcertification, Recertification and Maintenance of Certification (COCERT) considered the request by the American Board of Nuclear Medicine (ABNM) for new wording on the initial and Maintenance of Certification (MOC) Certificates.

All the proposed changes were acceptable except COCERT requests removal of wording on these certificates defining modalities of practice (see attachments). Please send the revised initial and MOC certificates with all wording defining modalities of practice removed (see attached certificates) to Dr. Horowitz at ABMS.

Sincerely,

*R. Roy / sdh*
