Hi again - our staff here just gave me the "thumbs up" that all dial-in glitches are resolved. We are on the "Quality Assurance Program" item on the agenda, DOE presenting.

Hi Amy, thank you for checking. I dialed in but it was pretty inaudible so I missed most of what has been said. Do you know if there'll be a transcript readily available?

Alex

Hi Alex - were you able to connect via phone to the Quarterly Management

Mtg? Christy Guedry in SEn. Ensign's office let me know her connection is cutting in and out? How is your connection?

Thanks,
AP
