Hi Amy,

Is there an agenda for the Affected Units workshop that you could share with us? The notice online doesn't have much info. Thanks!

Subject: NRC Open House - April 17th at Las Vegas Hearing Facility

Hi again everyone -

Following the NRC workshop for affected units of local and tribal government on April 17th (8:30 - 5pm), NRC will hold an evening open house at the Las Vegas Public Hearing Facility from 6pm - 8pm PT. This event will provide an opportunity for members of the public to meet NRC staff and management and discuss NRC's license review process for the proposed geologic repository at Yucca Mountain.

I hope that some of you will be able to come to the workshop and/or the open house. Please let me know if you plan to attend or if you have any questions.

Thanks,

Amy
