Subject: NRC presentations from the 4/17 AULG workshop

Hello again -

Attached are the PPT presentations used by the NRC staff at the April 17, 2008 workshop for affected units of local and tribal governments at the agency's Las Vegas public hearing facility. There are additional "hard copy" materials that were shared that I'll be mailing out to the state/district offices and dropping off to the DC offices by week's end.
