**Subject:** NRC PRESS RELEASE: ASLB to hold pre-hearing sessions on YM application in Las Vegas  
**Attachments:** 03-18-09 Board Order (Terms Logistics and Questions for Oral Argument).pdf

Hi all -

As I mentioned to you in an earlier update, three NRC Atomic Safety and Licensing Boards (ASLB) will conduct oral arguments at the agency's public hearing facility in Las Vegas March 31 - April 2, 2009. Below my "signature" is the text of a press release that the NRC issued late today announcing these proceedings.

The attached Order issued yesterday by the ASLB indicates that the proceedings will be web streamed. I will verify this, given that the press release does not reference this - it is more focused on logistics for the press attending "live" at the hearing facility.

Thanks,  
Amy

**ATOMIC SAFETY & LICENSING BOARDS TO HOLD YUCCA MOUNTAIN PRE-HEARING  
SESSIONS IN LAS VEGAS,  
MARCH 31 – APRIL 2**

Three Nuclear Regulatory Commission Atomic Safety and Licensing Boards will conduct oral arguments in the Yucca Mountain proceeding in Las Vegas from March 31 through April 2 on the standing of petitioners and the admissibility of their proposed contentions.

These oral arguments are part of the adjudicatory proceeding on the Department of Energy's application for authorization to construct an underground geologic repository for the nation's high-level nuclear waste at Yucca Mountain, about 100 miles northwest of Las Vegas. DOE submitted the application to the NRC on June 3, 2008.

Each board consists of three judges, two with legal expertise and one with technical expertise. The three boards will consider and rule upon the admissibility of approximately 320 proposed contentions filed by 14 petitioners. These boards will consider only the standing of the petitioners and the admissibility of the contentions. The merits of any admitted contentions will be considered at a later time.

The sessions will be held at the NRC's Las Vegas Hearing Facility, Pacific Enterprise Plaza, Building 1, 3250 Pepper Lane, Las Vegas, beginning at 9 a.m. each day. Each board will hear arguments for one day, and will try to complete the day's proceedings by 5 p.m.

Media wishing to cover the pre-hearing sessions are strongly encouraged to register in advance with NRC's Office of Public Affairs in Rockville, Maryland, by calling (301) 415-8200. Pre-registration is essential for television media, as space inside the hearing room is limited. Photographers (video or still) will not be permitted to move around the hearing room while the boards are in session. ASLB judges will not grant interviews. No interviews of other participants shall be permitted inside the hearing facility. Two brochures on the Las Vegas Hearing Facility – one for media and one for the general public – will be available on the NRC's Web site at this address: <http://www.nrc.gov/reading-rm/doc-collections/fact-sheets/>.
