Subject: Memo and Order from ASLB, identifying participants and admitted contentions

Message | 05-11-09 Board Memo Order (Identifying Participants Admitted Contentions).pdf (524 KB)

Hi all -

This follows up on my previous e-mail on today's Atomic Safety and Licensing Board finding regarding parties and contentions admitted in the Yucca Mountain proceeding. Attached is the 164-page Memo and Order issued by the Board that identifies the 8 parties and 299 contentions. If and when appeals are received within the next 10 days, I keep you posted.
