Yes, Sen. Reid is among the 21 count; I did not know a signed one was requested. Oh the inscriptions you could include...

Thanks - let me know if you'd like us to come up for our copies.

How's the iron play?

Thanks Amy. The sequel should have some reference to a brick wall and perhaps the photo that I used on p. 153. Some other brave historian can write it. Is Sen. Reid among the 21? Chairman Jaczko asked me to sign one for him, which was the occasion for my original question to Spiros. I'll get the copies to you tomorrow (Wed.).

Hi Sam - Thanks for the signed copy of your new book! Will the follow-up be **Detour**?

OCA has compiled a list of Members of Congress that we believe would be most interested in **The Road**, as well as two Hill staffers who we'd like to provide with signed copies. In all, we'll need 23 copies (21 unsigned, 2 signed).

The signed copies would be for Annie Caputo from Senate EPW and Sam Fowler from the Senate Energy and Natural Resources Committee (Sam worked for Sen. Udall so he walked most if not all of The Road).

Thanks!
Amy
