Rebecca –

Just wiping out old emails in my overfilled in-box and realized I might not have responded to this. I am around but probably can't really get away until the week of February 15<sup>th</sup>. Let me know if there is a day and time that week that works for you and Pat.

Randy,

Hope you had a nice break. Are you available to have lunch anytime soon? I meant to ask you earlier in the month but I forgot. I think Pat only works three days a week and a Monday and Friday works for him. Best,  
Becky
