Message Pages from 3-15-10 Petition Prairie Island Tribe 1(1).pdf (4 MB) 3-15-10 NARUC Petition to Intervene 63-001-HLW fin(1).pdf (387 KB)

FYI, attached are two additional petitions to intervene in the Atomic Safety and Licensing Board (ASLB or Board) adjudicatory proceeding re: the application for an repository at Yucca Mountain. Both the National Association of Regulatory Utilities Commissioners (NARUC) and the Prairie Island Indian Community (this community resides in Minnesota near the Prairie Island nuclear power plant) filed petitions with the Board last night. This brings the total of petitions to intervene to five, as these join Washington, South Carolina, and Aiken County (SC).
